

THE MEMORY KEEPER'S DAUGHTER

This popular book has been made into a movie which will air on Lifetime TV on Saturday, April 12th at 9:00 pm. Last fall, a few members of our agency went to Toronto to audition for parts in the movie; Amy Nolan, Mark Crowder, Kacee Quinlan and Luke Allen. Actors closer to Halifax (where the movie was filmed) were chosen. It was an exciting opportunity for these folks to read before the lights and producers! We have many future stars in our midst!
