PRESIDENT’S MESSAGE BY AL PEERS

Hope all of you had a wonderful Christmas holiday and I would like to wish all of you the very best in the New Year. I enjoyed seeing many of you at the Christmas party, in particular meeting Santa again.

I think it is important to note that the Down Syndrome Association of Peterborough wouldn’t be the organization it is today without its members, many of whom give countless hours of their time to grow our agency. We wouldn’t have the resources, programs and opportunities provided to our members and to the community, without the dedicated group of directors, staff and volunteers that create many of our exciting annual events.

We ended last year with the publication of our 20th Anniversary calendar. This year, several events are planned to help us celebrate this milestone. Also, we will be expanding some of our programs and developing new ones. Furthermore, we will endeavour to begin a campaign to find a permanent location for the agency.
