

WELCOME TO THE 2008-09 BOARD OF DIRECTORS

Hello Everyone,

I hope everyone had a wonderful summer. I have been elected President of the Board of Directors for the Down Syndrome Association of Peterborough. I am proud to be a part of this proactive and supportive organization.

I have been serving on the Board of Directors since 2006. I have been able to attend many functions and assist our board as well as Deb with many different activities and events. I have been able to meet many of you and still hope to get to know each of you more as time goes on.

This is an exciting time for our agency. We are searching for a permanent home, as presented at our Annual General Meeting. A committee has been formed to research and plan for a possible capital campaign. We are actively looking for people and/or members who are interested in assisting in committee work, so please contact either myself (Dan.Moloney@sunlife.com) or Deb Reid, Executive Director.

It was an overwhelming success due to the great organization by dedicated parent, Kari Stevenson and her family and friends in the community who once again, rose over \$5,000 for programs and services for individuals with Down syndrome.
