Grants for Summer School

We would like to thank AmeriCredit and the City of Peterborough who generously donated \$4,000 and \$5,000 respectively to support this year's Summer School. At an expense of over \$20,000, 15 students with Down syndrome will have an opportunity to increase their literacy, numeracy and total communication skills with qualified staff and volunteers over a three week period. Students will also participate in various programs of music, art, drama, gym, dance and water safety.

Welcome Jenna -

My name is Jenna Green and I am working as the Program Assistant for the Down Syndrome Association of Peterborough this summer. I am starting graduate studies in September in Anthropology at Trent University. I have a younger brother with Down syndrome and my family has been involved with Down syndrome awareness since his birth.

The 1st Ellen Murphy Golf Classic & BBQ

On Saturday, July 4th, 39 golfers enjoyed a round of golf at Liftlock competing for the 1st Ellen Murphy Golf Trophy.

Then it was back to the Murphy residence where more than 150 family members and friends were waiting to enjoy a delicious BBQ, participate in games, purchase raffle tickets and bid on auction items. Music filled the air with a tune by Mike Towns and Natalie McMaster.

This event, organized by Ellen's cousin, Mark Westlake and his wife Tania, was a tremendous success raising over **\$2,700** to support the programs and services at our agency while increasing public awareness of Down syndrome amongst their community. Mark's goal was **\$1,000!** Mark and his crew more than achieved their goal!

Next month, Ellen will be three and is a delightful, beautiful blonde little girl who has an enormous circle of family and friends just waiting to support her and her family in the future.

A special thank you those who helped make this event a success: Weston Bakeries Ltd., Pepsi-QTG Canada, Strano's Markets, PG Towns & Sons, Liftlock Golf Club, The Quarry Golf Club, McDonald's, Pizza Hut, NHL, NHLPA, Toronto Argonauts, Toronto Blue Jays, Ottawa Senators, Toronto Raptors, Toronto Maple Leafs, IMG International, Sobey's, Crayola Canada, Molson's, Labatts, Monster Energy, McWilliams Moving & Storage, Tony Bowen, Investor's Group, Golf Town, Peterborough Square, Tim Horton's, Monica & Bernie Sullivan, Roger & Teresa Westlake, Brenda Ball, Jerome LeMoire, Farley Genge, Mike & Rosemary Towns and Tania Lamond.
