

HOME SWEET HOME  
AWAY FROM HOME

DOWN SYNDROME  
RESPITE HOUSE

The Down Syndrome Association of Peterborough is planning a new respite program for families and individuals with Down syndrome and/or a developmental disability by opening up a large home for respite, transitional housing and other programs. The agency is beginning to accumulate an inventory for the Respite House which will be opening in early fall. The House is located in the downtown core and further announcements regarding location and other pertinent information will be available shortly. If you have any of the following items and wish to donate them to our agency, please give us a call at 749-6695. We are also in need of someone with a truck who would be able to pick up items as needed. Thank you.
