

## ***“A LEAGUE OF THEIR OWN”***

Would your child like to participate in a fun game of baseball – learn the basics, have some exercise, socialize and enjoy the outdoors???

This opportunity is for boys and girls of all ages with Down syndrome and will begin in May with some enthusiastic volunteers. Call the office if you are interested in this new program!!

**We need your help!!! We are looking for silent auction items for our upcoming Gala Event! Do you have something you would like to re-gift?? If everyone donated one item, we would reach our goal of 100 in no time at all! Call the office to arrange pick-up!**

### ***Capital Campaign Getting Organized***

We are actively looking for members of the agency and the community who would be interested in joining our Capital Campaign Cabinet.

This group of individuals will lead the way on a two year venture to raise funds to “build our Centre of Excellence”. This Centre is being built to accommodate educational learning and life skills space, administration, professional and supportive housing accommodations.

We need your help to make this a reality! Please call a Board member today for further information. Thanks
