GOODBYE CHANTELE! HELLO LAURA!

Congratulations to Chantelle who, after working part-time at Stewart Homes for five years, has been offered a fulltime position. Chantelle has delivered our cooking program and tutoring program for the past three years and will be truly missed! We wish Chantelle great success in her future position and want to thank her for the fabulous contribution she has made to the agency!

Laura Jay will be delivering the cooking program on Wednesday mornings at Respite House. Laura is an educational assistant and has volunteered at Hope Valley Day Camp for over ten years. She currently works at Stewart Homes part-time and enjoys working with people of all ages, because she sees herself as a “big kid” and a people person. She’s enthusiastic, outgoing and likes to always have fun, which will be reflected in the delivery of her program. Welcome aboard Laura!
