

Meet Joe Grant, Vice-Chair of the Board

Hello, my name is Joe Grant. Soon after returning to Peterborough about four years ago to begin my legal career, I was offered the opportunity to sit on the board of directors for the Down Syndrome Association of Peterborough. I have been a member of the board ever since. I am proud of the accomplishments the association has made during my time on the board, most notably the creation of Respite House. I am looking forward to continuing my involvement with the association over the coming years as the organization continues to grow; developing new and valuable programs and opportunities for persons with Down syndrome.
