FAST PERSONAL CHANGE PROCESSES**

Presented by John Murphy BSCPT, FCAMT

This workshop will address those undesirable states of mind we experience that affect our quality of life and diminish our personal power.

Whether it be general stress, trouble sleeping or paralyzing anxiety, you will learn self techniques that will help you clear up past trauma and build resources to improve performance and quality of life.

Based on neurolinguistic programming, hypnosis, Chinese Medicine and the passionate work of Tony Robbins and Mike Mandel.

11:00 am – 12:30 pm – Chat with Dr. Rudaina Banihani

Dr. Banihani will answer and review questions and topics related to the following:

- Update on the specialized health care guidelines for individuals with Down syndrome based on the AAP (American Academy of Pediatrics) and CPS (the Canadian Pediatric Society).
- Cognitive, Developmental & Neurobehavioral Profile of individuals with Trisomy 21.
- Questions related to community resource navigation and school transitions.

2:00 pm – 3:30 pm – Chat with Liz MacKinnon, SLP

“Lifelong Communication Development for Individuals with Down Syndrome”

This is an opportunity to speak with a Speech Language Pathologist about communication development from birth to adulthood. Liz is available to talk about speech and language development in the early years through to the development of social language skills needed for the workplace. Come and Chat about Communication Development!
