Summer Picnic Fun !

Following a rained out first attempt; the next date was a great success! Weather was beautiful on the hill; lots of families had opportunities to chat with others; games and a new playground were sure hits; great food; everyone had an awesome time!

Many thanks to Tony DeNoble and Nate Pollock on the new grill and Allyson DeNoble who assisted with set-up!

Lots of pictures were posted to Facebook!

Message from the Chair

Summer... woohoo! Anyone else feeling that way? Before launching into summer I would like to take a minute to thank all of you who have given to the DSAP in some way over the last year. Whether your contribution was to attend events, participate in programs, making a donation or volunteering your time... it is all very much appreciated.

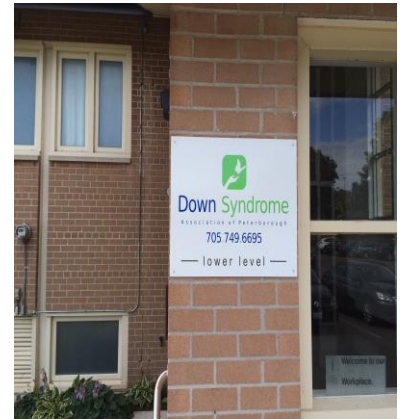

One way some of our supporters choose to invest of themselves is in participating as a member of our Board of Directors. Although summer has arrived, fall is not far behind and with it comes our next round of elections for the Board. If you would like to support your agency in this way, or know of someone who would be an excellent candidate for the job, please give our October election some serious consideration. In the meantime, I wish everyone an amazing summer filled with wonder, adventure and beautiful memories to carry into the future.

Cindy Wilson

Hi there, my name is Ian Thompson, and I'm excited to be this year's summer student with the Down Syndrome Association.

I am going into my third year at the University of Guelph in the fall, but I'm thrilled to be home for the summer where I can contribute to the community in which I grew up in.

From coordinating events with the Amigos club at my high school, to working at Peterborough's FASD camp, I'm happy to see where this opportunity leads me!
